

## Size of income, by receipt of asset income, 1998

### Receipt of asset income is associated with relatively high median income

The median income of those with asset income is more than twice as large as that of those with no asset income (\$24,423, compared to \$10,041). Aged units with no asset income are concentrated in the lowest income categories—49% have a total income below \$10,000, and only 8% have an income of \$30,000 or more. Among aged units with asset income, 10% have a total income below \$10,000, and 40% have an income of \$30,000 or more.
